

## TWO GRAVELY HURT IN TRAFFIC CRASH

Street Car Hits Automobile, Hurling Out Occupants.

### Other Accidents.

Scott T. Youngs, 53 years old, of Franklin Park, Va., and George W. Ridgeway, 43, of 4136 Seventh street are in Casualty Hospital today with serious injuries, sustained yesterday afternoon when Youngs' automobile was struck by a street car and the occupants hurled to the street at Eleventh and H streets northeast. The street car was operated by Motorist William H. Dawkins of 1200 Oregon street northeast.

It was reported to the police that Youngs' car was moving slowly because of a flat tire and that it was struck by the street car with force enough to hurl it a considerable distance. The injured men, unconscious, were taken to Casualty Hospital in passing automobiles. Both men were severely shocked and bruised and their heads were hurt. It was reported this morning that Youngs' condition was much improved.

Ridgeway has regained consciousness and his condition shows slight improvement.

### Policeman and Wife Injured.

Policeman William H. Suthard of the sixth precinct and his wife were shocked and bruised yesterday afternoon when their car went over a 10-foot embankment at Quantico after colliding with a car occupied by Maj. Daniel Donovan, the District auditor, and his family. None of the latter was hurt.

### Three Children in Accidents.

Three children also were hurt in traffic accidents over the week end. Four-year-old George Yetter, 232 Adams street northeast, was slightly injured last night when he was knocked down near his home by the automobile of Joseph Lessard, 514 Roxboro place; Ethel Flaherty, three years old, was knocked down near the automobile of Thomas Kelly, 1007 Girard street northeast, and Richard Eckart, 11 years old, 1209 Four-and-a-half street southwest, was struck by an automobile and slightly injured, in the 1200 block of Sixth street last night. He was treated at Emergency.

In a hit-and-run collision on Conduit road about 10 o'clock last night, Frederick L. Bashford, 18 years old, 604 F street, and Miss Mary Virginia Brown, 16 years old, 461 H street, were thrown to the road from a motor cycle and cut and bruised. They were treated at Georgetown University Hospital by Dr. Paul Taylor. Police are trying to trace the automobile which hit them.

### Automobile Sideswiped.

Three colored persons were injured in an automobile accident on the road between this city and Marlboro, Md., about 2 o'clock this morning. They were Mary Holmes, 50 years old, and Louise Holmes, 30, of 1029 Twelfth street, and Joseph Holmes, 21, of 2114 F street.

Joseph Holmes was driving the car, a rented one, that was sideswiped by another machine and forced against a telephone pole, he reported. The injured persons were treated at Emergency Hospital. None was dangerously hurt.

### Eva Cole, Colored, 24 Years Old, 1238 Wylie Street Northeast, Was Severely Injured Yesterday Afternoon at Fourth and K Streets Northeast When the Car of James H. King, 2005 Rosedale Street Northeast, Collided with the Automobile of Herbert Jackson, 24 1/2 Carroll Avenue, Takoma Park. The Woman Was an Occupant of the Former Car. ## INDEPENDENCE DAY FUND IS SOLICITED

Committee Asks \$1,000 to Meet Expenses of Community Celebration at Sylvan Theater.

An appeal for voluntary contributions to pay the expenses of the District's community celebration of Independence day to be held in the Sylvan Theater July 4 was issued today by Isaac Gans, chairman of the citizens' committee appointed by the Commissioners to arrange the program. A fund of \$1,000 is needed, according to Mr. Gans. Checks should be sent to him at Saks & Co.

Plans for the celebration already are taking definite shape, although the committee has held only one meeting since its creation last week. An inspirational professional and massing of the flags will be two of the outstanding features.

The Army, Navy and Marine Corps and various civic patriotic organizations will be invited to participate. The Community Center Department of the public schools already is cooperating. A limited number of seats will be provided for the guests of honor and for those persons making contributions to the \$1,000 fund. The guests will include Federal and District government officials, members of the diplomatic corps and those members of Congress who may be in Washington.
